Dear Esteemed Clients

As we step into a radiant 2025, we are thrilled to present the inaugural issue of Gemvana—Jaipur Jewel's very own digital mini-magazine. With this, we aim to stay closer to you than ever before, sharing the stories behind our creations, offering you exclusive glimpses into what's new, and, of course, bringing a little sparkle to your week with curated updates, inspiring features, and delightful surprises.

To mark this special debut, our first issue is inspired by Pantone's Color of the Year, Mocha Mousse. This warm, indulgent hue—evoking the richness of fine chocolate and freshly brewed coffee—sets the tone for a year of joy and timeless sophistication. From our featured pieces to a style guide, everything in this issue reflects the charm of Mocha Mousse.

Thank you for being part of the Jaipur Jewels family. Here's to a year filled with love and luxury.

Warm regards,
The Jaipur Jewels Family
